

Women's Starlight

In a male-dominated world, life as a woman is often burdened with a lot of problems. This can be observed in all epochs of human history and cultures and unfortunately, in many ways today. Be it at work, in relationships or in society.

The consequences of this are often:

Stress, depression, insecurity, fatigue, mood swings, the painful feeling of being misunderstood as a woman, overwork, the reduction of femininity to physical characteristics, emotional abuse and multiple physical problems.

Designed solely for women of all ages, this product contains the strongest formula energies of:

Self-love and love, sexuality, female charisma, creativity, processing and prevention of mental injury, heart opening, self-awareness, female primal power, Kundalini, equality, self-esteem and appreciation of one's own Energy, self-discovery, protection and security, strength and assertiveness.

With "Women's Starlight" you can connect directly with universal and helpful intelligences. In this way, you will be supported exactly in the areas of your life that are relevant to you ... Any form of violence against women such as:

Ignorance and disrespect, lies and abuse, energy deprivation, rape, mobbing, injustice, lies and deceptions, insults, denial, mistreatment, isolation and constriction, limitations, discrimination, inferiority feelings, not being respected, not being supported, unfair demands, accusations, punishments, exploitation, manipulation and repression etc. are effectively counteracted. But also possible self-lying destructive inherited programs of others are revealed and deleted.

The informations are stored in a small fire opal. The enclosed noble 6 ml spray bottle can be filled as often as you like with your favorite fragrance or eau de toilette and will be for you, dear Ladies, a faithful companion.

Women`s Starlight helps you to express and live your own feelings:

I am valuable because I love myself ...

Deep down, I feel the love and the strong connection with all the other women and female beings that are a part of me ...

I allow myself to love myself with all that I am

I break up all the walls that keep me from being close to myself.

I experience, strengthen and love my sensuality, my excellent intuition, spontaneity and creativity.

I finally get the honest respect and attention I always wanted.

I let myself be inspired by the creative femininity, the power of my own element, nature and the universe and gently awaken my own abilities, memories and talents.

I am never ashamed of my desires, longings, needs and feelings ...

I overflow with confidence and courageously live my own truth.

I recognize and stand by my own and unique value.

I love my body the way it is and feel beautiful and loved.

I can show myself gratitude.

I discover that in my deepest feelings, be it anger, grief, joy or love, my greatest strength is as a woman and I never let myself be condemned!

I trust myself, I can fall in confidence, be touched by my own vitality and what I really am.

I express freely what is important to me, without fear of being hurt or disappointed ...

I am one and in perfect harmony with the universal ear of all women and my innermost source of feminine energy. I recognize myself and am overjoyed to experience the grace, beauty and ecstatic diversity of my own being.

I enjoy the refreshing vitality, freedom, success and fulfillment in everything I do because I have earned it for a long time ..
